CONFERENCE AT HARDING'S REQUEST

Visit Also Revived Gossip on Possible Appointment for Taft

Marion, Oo., Dec. 24.-President-elect Harding turned to former President Taft to-day for counsel on the world peace problem and on practical details of organizing the next administration.

The conference was arranged at Mr. Harding's request and is understood to have concerned particularly the proposal for a new international court in which the former president has been interested for many years. Mr. Taft was a supporter of the Versailles league but has taken the attitude that some different agency now must be organized to stabilize world conditions.

Another subject on which the President-elect wanted information and ad vice was the proposed reorganization of the executive branch of the governministration Mr. Taft made a study of that problem and appointed an effi-ciency commission to undertake the work of reorganization.

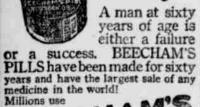

The coming of Mr. Taft revived spec ulation about his possible appointment to some high post under the coming adnost frequently for a place on the su-

"My face was covered with little red pimples. They scaled over, then dried up and were hard, and there would be four or five in groups, making them large. They burned and itched till I did not know what to do. "I tried everything but they did no good. Then I was told to try Cuticura Soap and Ointment. After a week the pimples began to dry up and I only used two cakes of Cuticura Soap and not quite one box of Oint-

"FRUIT-A-TIVES" Made Complete Cure of Stomach Trouble

MRS. FRANK W. WALLACE Moultonville, Carroll Co., N. H. "An account I read about 'Fruita-tives' or Fruit Liver Tablets in one of our newspapers prompted me to

try this remedy. I was all run down and work was burdensome owing to Indigestion and Fullness, due to gas on my stomach which caused me to belch a good deal. My heart seemed to be affected.

It was two years ago that I was in this condition and began the use of 'Fruit-a-tives'. Even though the trouble had been of a few years standing, the use of 'Fruit-a-tives' proved the very remedy I required. I was freed of the Indigestion, which I attributed to my heart; and I can conscientiously recommend 'Fruita-tives' as a remedy of merit". Mrs. H. J. Spaulding.

JAPANESE SEIZING SHORES OF PACIFIC

According to Claim Made by Bolshevik Wireless Message Received in London from Mos-

London, Dec. 24.-An official bolsheik wireless message received from Moscow quotes the Izvestia as asserting that "it is evident that Japan has adopted a policy of seizing the shores of the Pacific." It adds:

"The Japanese general staff has marked out a fortified line in the shore zone from Shanghai through Kwangtung peninsula and the Russia coastal region and the Kamchatka peninsula. line through Kwangtung from Shanghai would cover the southern half of the Chinese coast about 700

miles, including Hongkong).
"The Japanese are conducting a defnitely imperialistic policy with regard to far eastern Russia. By concealing their plans, they hoped the allies would bless their Siberian policy. When America, however, cried out against them, pan hestiated and then declared she feared an attack from bolsheviki and that an aggressive policy in Siberia was necessary.
"She, therefore, disarmed the Rus

sian troops in the maritime province and is attempting to liquidate the fortifications of Vladivostok and Nikolae-

"Such are the intentions of the Japnese imperialists. Japan may be expected to tenacionaly persevere in ef-fecting her plans, and therefore, the far eastern republic with its headquarters at Verkhue-Udinsk is faced with the problem of definitely resisting the ag-gression of the Japanese in Siberia. As this in like measure affects China's interests, they must unite for joint resistance to Japanese aspirations on the Asiatic mainland."

How much service are you getting out of your Storage Battery?

We will reproduce from time to time letters received by the Electric Storage Battery Co. from satisfied users of EXIDE Batteries.

Stamford, Conn., August 6, 1929. The Electric Storage Battery Co. Philadelphia, Pa.

I am writing for information as to the best record an "Exide" Storage Battery has made as to length of life. I am the owner of an "Exide" battery which I believe has a very excellent record.

This battery was part of the equipment of a Hudson Cabriolet 6-40, which I pur-chased in September, 1915. It has never been off the car, has never been repaired or recharged during the five years if has been in use, and is still giving excellent
